REMARKS: Thank you for your response of yesterday. Several followup questions for you : 1) Is it possible that a mine could be "active" and not be shown in the database? In other words, what keys is your database?
2) Do you have any further information on the partial reclaim done by Ziegler in the NW/4 of Section 30 that could be sent via fax to me?

IF YOU DO NOT RECEIVE ALL THE PAGES OR CANNOT READ THE COPY, PLEASE CONTACT MESA INC. 214/444-4327.
